Wish to share today's article from my weekly column "तिसरा मेंदू" (Third Brain) titled "पाऊस पडेल काय? (Will it rain?)" which has been published in the Marathi newspaper, Sakal! (pic below)

In this article, I go deeper into the applicability of Mental Model "Probabilistic Thinking" in various situations

I'm thankful to [Sakal Media Group](#) for providing a platform to share these important insights with our local community.

Any comments? I'd love to hear your thoughts!
