🚀 Introducing the "Know Open Source AI Repository" (KOSAIR) Series! 🚀

Apart from showcasing my own GitHub (yogeshhk) repositories (pic below), I wish to highlight some incredible open-source AI repositories I come across regularly. 💡

With this new KOSAIR series, my goal is to raise awareness of these amazing resources—many of which are completely free and can be used in your projects or to enhance your learning.

Got suggestions on what you'd like me to cover? Drop a comment below or shoot me an email at yogeshkulkarni at yahoo dot com! 📧
