Wish to share today's article from my weekly column "तिसरा मेंदू" (Third Brain) titled "समग्र विचारांची शक्ती (The Power of Wholistic Thinking)" which has been published in the Marathi newspaper, Sakal! (pic below)

In this article, I go deeper into the applicability of Mental Model "Systems Thinking" in various situations

I'm thankful to [Sakal Media Group](#) for providing a platform to share these important insights with our local community. 🙏

Any comments? I'd love to hear your thoughts! 💬 👥
