Wish to share today's article from my weekly column "तिसरा मेंदू" (Third Brain) titled "थांबा, पुढे गतिरोधक आहे (Stop, Speed-breaker ahead)" which has been published in the Marathi newspaper, Saka! (pic below)

In this article, I go deeper into the applicability of Mental Model "Friction and Viscosity" in various situations

I'm thankful to [Sakal Media Group](#) for providing a platform to share these important insights with our local community.

Any comments? I'd love to hear your thoughts!
