👋 As someone who's been part of the Medium community since November 2022, I've had the joy of penning down over a hundred stories so far ❤️ 📝

📖 And here's the best part: I never wrote for monetary gains because, putting my thoughts out in public was the main intent and also, unfortunately, there were no such opportunities for writers from India and many other countries. But hold on tight, my fellow wordsmiths, because the tide is turning! 🌊 🌟

🚩 The Medium Partner Program is expanding its horizons to include writers from India! 🇮🇳 This means, starting from Aug 1, they can finally monetize their exceptional stories too! 💰 (Reference: <https://lnkd.in/dR85-3fd>)

Whether your motivation is financial or simply a burning desire to share your ideas and experiences, I wholeheartedly recommend joining this vibrant platform and kickstarting your blogging journey! 🚀 ✨

By the way, I recently stumbled upon a wonderful blog by the talented Dr. Mehmet Yildiz, filled with valuable insights on how new writers can enhance the quality of their content and boost their readership! 📖 Check it out here: <https://lnkd.in/dbuiid2M>
