## Y-shirts

Time and again, one liners get dawned upon me. Although I have not diligently noted them down, but I do recollect a few. By the way, some of them may not be fully original and as I can't trace their source, they are, for now, mine 😊!!

👕 Planning to custom-print them on T-shirts and calling them, Y-shirts!!

🧠 Here are some sample quotes in the pool and the first one of them is in production:

- ♦ "Don't be humble, you are not that great!!"
- ♦ "Best revenge: to let one be oneself."
- ♦ "Don't be just different, be Better."
- ♦ "Not looking for success, but for Wonder!!"
- ♦ "No one is GREAT, in others' views."
- ♦ "Don't take my self-deprecation too seriously, it's just a form of humor."
- ♦ "It doesn't matter, really!!"
- ♦ "Never mind, mind is all that you have."

✳️ Note: Although on the surface these quotes may have negative connotation in the first half, trying to get some surprise element injected in the second!! IMHO.

Logo: 'YHK' (my initials) with 'Y' Out of the Box

Disclaimer: quotes are not generated by #chatgpt.

Overall motto: "B Minmlist"

🎁 Will be giving away these Y-shirts as gifts to those doing some 'WoW' stuff.

💰 Planning to 'fund' this initiative from the honorarium that I get (sometimes 😂) from my talks.

👉 Comment: which quote did you like the most? (or none 😞)

#quotes #giveaway #humor #betterthanchatgpt #gift #success
