Summary of “The 2 Things You Need for Success”

YouTube channel: Tom Bilyeu

Original Source

The 2 Things You Need for Success | Jay Samit on Impact Theory ([YouTube](#) 55 mins)

Jottings

- Theme: Future-proofing
- Be unique, competition not good
- Put yourself in unfamiliar territory
- Be ok if you fail while you are learning from it.
- Find charity to show skill, volunteer. Sweat Equity.
- Who needs you today? go and work before anyone.
- Need multiple revenue streams
- Most wealth comes from deal structure. Referrals/commissions.

The above summary was also posted in the Comments section of the original [YouTube](#) video.
