As the week-long celebrations of Pran Pratishtha begin today, wish to share a short blog post where I reflect on the qualities of Lord Ram that can inspire us in the times to come.

It's here: <https://lnkd.in/d7MQp39D>

PS: The banner image of the blog (shown below) is my first digital sketchnote. The first goes to the lord. Created it by hand-tracing the photo of the idols that will be consecrated at Ayodhya on January 22. Used the open source software Inkscape on a Wacom tablet. 🙏

What can we learn from Lord Ram?
