Lately, along with my interest in AI (Artificial Intelligence) 🤖 and psychology 🧠 (especially mental models), I've found myself getting drawn into the world of geopolitics 🌐.

I've been following recent developments, reading, watching, and trying to understand the moves. Every now and then, I will try to capture some of those insights and share them, in Marathi, at [Medium](#), as below:

📌 Know Thy Enemy <https://lnkd.in/dg37hWzs>

📌 Trump Tariffs: Strategic Anarchy <https://lnkd.in/dsWqVPVP>

Would love for you to give them a read and share your thoughts in the comments!
