Dr. Kulkarni is a Principal Architect, an inventor, an Adjunct Professor, and a Top Writer on Medium.

One of my writing goals in this and other platforms is to introduce influential writers to my readers by conducting interviews with them. I have introduced many writers since 2019.

In this post, I'd like to share a recent interview with Dr. Kulkarni, whom I approached and met after discovering his unique, creative, engaging, and informative stories on Medium and other platforms.
