🌟 Celebrating Diwali with something truly special!

On this auspicious occasion, I'm thrilled to announce the launch of (probably) the first and only open-source book in Marathi: Sahaj Jeevan (सहज जीवन) 📖

Attached is a short glimpse of this unique initiative.

मराठीतील पहिलेवहिले मुक्तस्रोत आणि सहकारी पुस्तक "सहज जीवन" प्रकाशित करताना अतिशय आनंद होत आहे. या उपक्रमाला तुम्ही नक्कीच उदंड प्रतिसाद द्याल, याची खात्री आहे. 🙌

The idea for this project was inspired by 'The Effortless Life' by [Leo Babauta](#), a book that came to life through collective contributions worldwide (<https://lnkd.in/dykw8TcH>).

'Sahaj Jeevan' is a Marathi translation of that same book, created collaboratively by wonderful contributors. 🌱

Staying true to the open-source spirit, this Marathi edition is also completely open and free to download.

All LaTeX source files and references are available on GitHub for anyone interested in exploring or contributing further. Its at [https://lnkd.in/d\\_5RrVze](https://lnkd.in/d_5RrVze)

Next, we plan to release a Kindle/eBook version. If you'd like to volunteer or contribute, please feel free to connect! 💡
