🎤 Public Speaking on AI! 🤖 ✨

I've given several talks-interviews on AI, over the years, but only a handful have made their way onto YouTube (Not aware of the other platforms like Facebook, Instagram, or Twitter, as I am not there).

To make things easier, I've compiled all my recorded talks into a single YouTube playlist. 🎬 📌 Check it out here:

Looking back at the earliest video, I just realized—it's been 7 years! Time flies. ⌚

A big thank you to everyone who has supported me on this journey! 🙌
