Wish to share today's article from my weekly column "तिसरा मेंदू" (Third Brain), titled "पिंजऱ्याचे दार उघडावे" (Let the Door of the Cage Open), published in the Marathi newspaper Sakal (pic below)

This article is the final one in the column, marking a meaningful closure of sorts.

The response from readers, friends, and the public at large has been truly overwhelming. Similar to my earlier compilation of Artificial Intelligence articles into a book titled "AI-Rupe", there is a plan to curate these articles on Mental Models into a book as well. I'll keep you posted on the progress.

I'm thankful to [Sakal Media Group](#) for providing a platform to share these ideas and insights with the local community.

Would love to hear your thoughts and comments!
