Are you in search of ready presentations, course materials, and learning-teaching resources for Data Science, AI, Machine Learning, LLMs, etc.?

Look no further! Here's an open-source repository that encompasses all of these resources, freely available for your use. Feel free to contribute and make the most out of this valuable repository. 🚀

GitHub https://lnkd.in/fxr938h
Medium https://lnkd.in/dACXRNQs

You may want to 'star' ⭐ the repository 'iff' (??, anyone?) you really find it useful. 🙏
