Call for Speakers | Pune AI Community (PAIC)

PAIC is opening up speaking opportunities for our community members!

If you're passionate about AI, Machine Learning, Deep Learning, NLP, or Generative AI, this is your chance to share your knowledge and make an impact.

Who can apply?

- Students eager to showcase research or projects
- Professors & trainers with fresh, unexplored topics
- Practitioners willing to contribute to community learning

Guidelines:

- Talks must be non-commercial (no product/company promotion)
- Sessions are free and open to all
- No honorarium (community-driven initiative)
- Talks will be recorded & published on the PAIC YouTube channel

How to apply:

Send us a brief description of your talk and if available, a sample video youtube link of your past talk to [puneaicommunity at gmail dot com](mailto:puneaicommunity@gmail.com) cc [yogeshkulkarni at yahoo dot com](mailto:yogeshkulkarni@yahoo.com)
